Weekly Geography Homework Guidelines

During weeks with at least 4 school days, you will be assigned a Weekly Geography Homework in Google Classroom. The homework is assigned on the first school day of the week and is due by 8 AM on the last school day of the week.

On the BACK PAGES of your notebook starting with page199, you may do a creative Extra Credit piece based on some aspect of the homework. I score ALL EC at the end of the term.

Use the chart below to keep track of your homework. Leave the last column blank for me to record your Extra Credit score.
